Self-Enumeration Flow Chart

SECTION 1: ACCESS AND INITIAL REGISTRATION

1 Portal Access & Login

Visit https://se.census.gov.in, select State/UT, enter Captcha.

2 Household Registration

Enter Head of Household Name, 10-digit Mobile Number, Email Id (Optional)

⚠️ **Name of Head of Household** can not be changed later

⚠️ **Only one Mobile Number** should be used per household; once registered, the same cannot be used for any other household.

SECTION 2: VERIFICATION AND LOCATION IDENTIFICATION

3 Language & OTP Verification

Select preferred language and enter OTP sent to registered mobile number.

⚠️ **Selected Language** cannot be changed later

4 Provide Location Details

Select District and enter PIN, Village/Town/Locality.

5 Locate Your Residence on Map

Drag the Red Marker on the map to identify your exact residential building and confirm location.

SECTION 3: DATA ENTRY AND FINAL SUBMISSION

6 Complete the Questionnaire

Fill in the Houselisting and Housing Census Questionnaire guided by Tooltips, FAQs and "Essential Information" notes.

7 Preview and Review

Use the Preview Screen to check all entered data; you can edit entries, save a draft to submit later, or submit finally.

8 Final Submission

Click "Final Submit" to lock your data; no changes can be made after Final Submission

GENERATION OF THE SE ID

Upon submission, a unique 11-digit SE ID (prefixed with "H") is generated and sent via SMS & Email (if provided)

SECTION 4: FIELD VALIDATION

9 Enumerator Visit

When a Census Enumerator visits your home, share your SE ID with her/him.

ID Matching Outcomes

If SE ID matches with an existing record, details are confirmed and submitted; if not, Enumerator will collect data afresh.
